

EPISODE 1:
Bromance of the
Three Warriors

... DO HEREBY PLEDGE TO BE BROTHERS AND
SWEAR TO "MAKE THE EMPIRE GREAT AGAIN™!"

Ok, so now that's done,
how do we Make the
Empire Great Again™?

By brutally suppressing
a rebellion of peasants
pushed past the brink by
the corrupt, dysfunctional
government we just swore
an oath to prop up.

**EPISODE 23:
Dangerous Jobs**

Prime minister Cao,
our provisions are
running low!

Hmm ... I just need to hold
out a couple more days ...

Granary officer, start
cutting the men's rations.

But the men
might get
angry ...

Don't worry. If they get
upset, I'll take care of it.

Ok then.
Will do.

HEY! WHAT'S UP WITH
THE HALF PORTIONS
OF GRUEL TODAY??!!
NOT COOL!!

Umm umm ...

HELP! The men are up in arms
about the reduced rations!!

Sure. Anything.
What do you need?

Relax.
I said
I would
take care
of it. I just
need to
borrow
something
from you.

Your
head.

BUT I'M INNOCENT!!
YOU told me to
cut the rations!

I know. But if
I don't kill you,
the men would
revolt. We
can't have
that.

But don't worry.
I'll take good care
of your wife and kids
after you're dead.

But, but ...

C'mon. Quit
groveling.
Have some
dignity.

Well, as long as
somebody lost
their head over
that, I'm mollified.

Grumble
grumble ...

I'm a genius.

EPISODE 51:
Zhao Yun Kicks Butt

Go South, Cao Cao said. The scenery is beautiful and you'll get some loot, he said. He didn't mention anything about being chased by a one-man killing machine!!!

I am NOT getting paid enough to stick around for THIS!!!

EPISODE 052:
ZHANG FEI'S
KILLER BLUFF

FIGHT ME TO
THE DEATH?!!!!

Called it.

Ow! His roar shattered my liver!

EPISODE 060:
Blowin' in the Wind

The strategists Zhou Yu and Zhuge Liang have devised a brilliant scheme to defeat Cao Cao's massive navy.

EPISODE 59:
Cao Cao the Poet

On the brink of seemingly certain victory, Cao Cao celebrates by partying on his ship and composing a poem.

"Here before us, wine and song!
For man does not live long.
Like daybreak dew,
His days are swiftly gone.
..."

...
An empire's trust to keep."
Well, what do you think?

MARVELOUS!!

UNRIVALED!!

I give it a B-minus.

I mean, I guess the imagery was ok,
but the meter was a bit awkward, TBH ...

... the theme wasn't exactly original,
and then there's your rhyme scheme ...

... and don't even get me
started on how inauspicious
some of your lines were
on the eve of battle ...

Oh please,
do go on.

JING PROVINCE

General Guan, I must go help our lord in the Riverlands, so I am entrusting you with this seal and the weighty responsibility of holding Jing Province.

Don't worry. I will justify your faith even if I have to die!

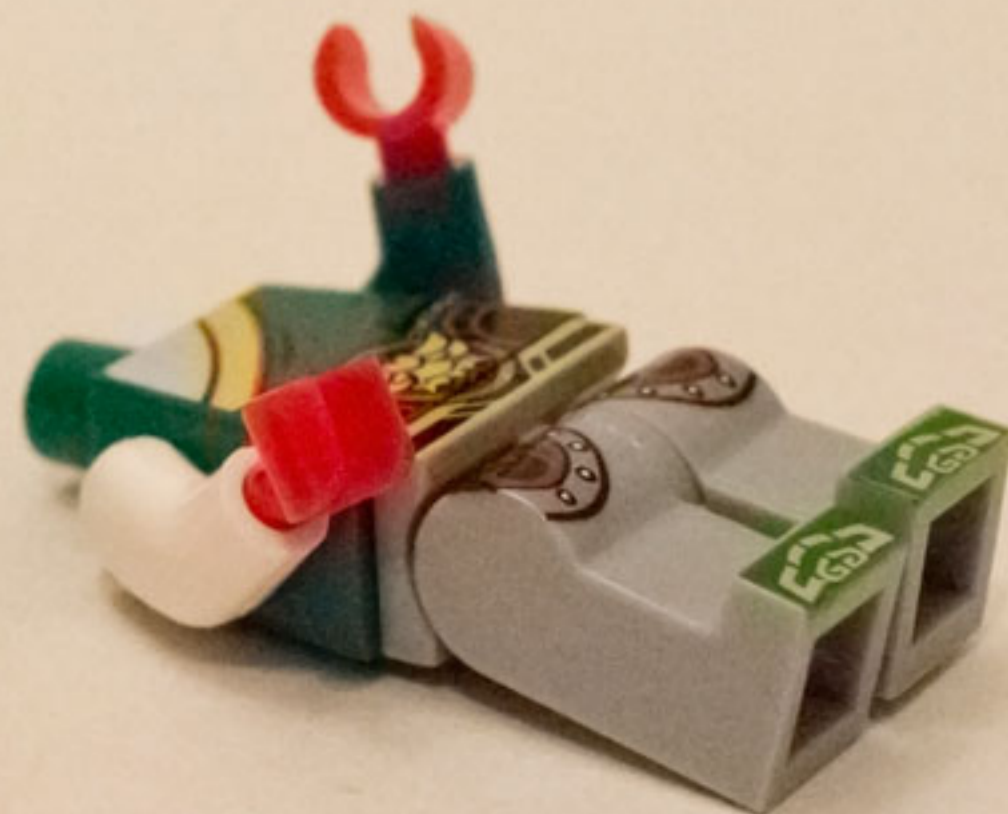

Uh, die? No need to go that far. Look, just play nice with Sun Quan, and all will be fine, got it?

Your advice will be etched upon my heart!

SOMETIME LATER

You had one job, ONE JOB!!!!

Uh, what was that advice again?
